 Floor 1, Building C, 555 Plant. Ma'an Cun Rd, Cuiheng New District, Zhongshan City, Guangdong, China

POWERED STAIR CLIMBER

ZW7250GC/ZW7210GC

MAX Capacity
250KG

Battery Capacity
70~121 Floors

High Speed
30 Steps/Min

Item Weight
27~29KG

MAX Size
1590x545x308mm

Brake
Yes

POWERED STAIR CLIMBER

CT310

MAX Capacity
310KG

Battery Capacity
90~120 Floors

Speed
14.6~15.4 Steps/Min

Item Weight
77KG

MAX Size
1240x1050x550mm

Protection Level
IP54

Motorized Stair Climbing Shopping Cart

ZW030

MAX Capacity
30KG

Battery Capacity
16~18 Floors

High Speed
50 Steps/Min

Item Weight
14KG

MAX Size
1265x649x480mm

Brake
Yes

Powered Loading&Moving Cart

LFC170F3/LFC170H3

MAX Capacity
170KG

Mile Range On Plane
About 3 hours

Speed On Ground
3Km/h

Item Weight
46.8~52.5KG

Lifting Times
200 Times

Lifting Speed
20 Seconds

MAX Size
1250x770x1045mm

Electric Moving Cart **ET400W3**

MAX Capacity
400KG

Move Capacity
75Min
Upslope Capacity
35Min

High Speed
4Km/h

Item Weight
104KG

MAX Size
1670x705x1715mm

Brake
Yes

All-Terrain Transportation Equipment

UV400P4

UV400P4 is a high efficient cargo transportation equipment, Van type all-terrain moving cart can finish transport, move on slope, cross over obstacle and other scene easily.

It can be applied in fruit farm, earthquake rescue, construction site and other kinds of rugged terrain. The max load capacity is 400kg, remote control is available for a distance of 100-500M.

MAX Capacity
400KG

Remote control distance
500M

Movement Speed
3.6Km/h

Ramp Angle
<30°

UV500P4 is a high efficient cargo transportation equipment, with the max loading weight of 500kg, plate type all-terrain moving cart can finish transport, move on slope, cross over obstacle and other scene easily by remote-controlling operation. It can be applied in industry manufacturing, warehouse logistic, chemical energy industry, etc.

All-Terrain Transportation Equipment **UV500P4**

MAX Capacity
500KG

Remote control distance
500M

Movement Speed
1.8Km/h

Ramp Angle
<15°
